Summary

I'm a UX/UI designer based in Vancouver with experience across web, visual, and graphic design. I create clear, accessible, and visually cohesive digital experiences, from user flows and wireframes to high-fidelity interfaces, prototypes, responsive web layouts, and visual assets. Through my design education and internship experience, I've worked on AI-powered applications, internal tools, dashboards, websites, design systems, and digital product redesigns.

Skills

- **UX/UI:** User Experience Design, User Interface Design, Interaction Design, Design Systems, Accessibility (WCAG), Wireframing, Prototyping, User Research, Usability Testing, Information Architecture, Product Thinking
- **Tools:** Adobe Creative Cloud, Figma, FigJam, Canva, Framer, Lovable, Stitch, Visual Studio Code, HTML5, CSS, JavaScript, [React.js](#), Expo, WordPress, Google Analytics
- **Collaboration and Communication:** Cross-functional Collaboration, Design Thinking, Problem Framing, Prioritization, Stakeholder Communication

Projects

ProjectTracker / UX/UI Designer | Apr 2026 - May 2026

- Audited an AI-generated SaaS platform and restructured its information hierarchy, navigation, and page layouts to create clearer and more intuitive web experiences.
- Designed and refined website layouts, user flows, reusable interface components, and visual assets in Figma, with a focus on consistency, accessibility, and visual hierarchy.
- Created high-fidelity prototypes and prepared design specifications for development handoff, iterating on the experience based on usability testing and feedback.

Scaffold / UX Researcher, UX/UI Designer | Sep 2025 - Dec 2025

- Conducted user research and usability testing for a financial-support matching product focused on skilled trades workers.
- Designed an AI-assisted eligibility discovery workflow that translated fragmented grant information into a clearer decision-support experience for tradespeople.
- Iterated from early user flows to high-fidelity prototypes based on usability findings and participant feedback.

Experience

UX/UI Design Intern | Apr 2026 - May 2026

Integration Solution Services Inc. | North Vancouver, BC

- Designed and refined UX/UI for internal digital products, including an AI-powered project management platform, time-tracking tools, dashboards, and reporting interfaces.

- Audited existing AI-generated interfaces and improved visual consistency, usability, information hierarchy, and navigation across key workflows.
- Built reusable Figma components and design-system patterns for colours, typography, buttons, forms, and interface states.
- Created user flows, wireframes, high-fidelity interfaces, and interactive prototypes, simplifying complex workflows for internal users.

Shift Supervisor | Jun 2022 - Jun 2025

Starbucks | *Vancouver, BC*

- Coordinated a team of 12+ baristas per shift in a high-volume location, maintaining consistent high customer satisfaction ratings in line with store performance targets.
- Resolved customer issues and coordinated with team members to maintain service quality in a high-volume environment.
- Onboarded and mentored 5+ new employees, ensuring they were fully proficient in company standards within 2 weeks of training as a certified barista trainer.

Office Coordinator | Jul 2022 - May 2025

Quotemedia Inc. | *Vancouver, BC*

- Redesigned onboarding documentation, creating a seamless and confusion-free new hire process while improving accessibility to company resources.
- Managed employee expense records and invoices, consolidating documentation for submission to the Finance team.
- Coordinated office activities to ensure smooth daily operations.

Education

Diploma – Digital Design and Development | Sep 2024 - May 2026

British Columbia Institute of Technology (BCIT) | *Burnaby, BC*

Volunteer Experience

- **Web Summit Vancouver**, Volunteer Representative
Represented BCIT by demonstrating a school project to event attendees and industry professionals at Web Summit Vancouver 2026
- **BCIT Big Info 2025 Event**, Event Assistant
Represented BCIT's Digital Design and Development program at Big Info 2025
- **BCIT D3 & FSWD Annual Student Showcase**, Assistant
Supported BCIT's D3 & FSWD event by assisting with event flow
- **Downtown Community Policing Centre**
Certificate of Appreciation from the Vancouver Police Department
